Notes: Multi-Team Schools are grouped in similar colors so they can move through the event together (should be easier for the coaches)
 Schools are arranged so they don't compete against teams from their own schools
 Every team will compete at a different table each round (so you don't get stuck with a 'bad' table every round ..)

Notes: Judging is scheduled so that you always have in excess of 20 minutes between events
 Judging is done by noon. You can relax and put all of your effort into the last couple rounds.
 If disaster strikes - don't panic, we'll work with you to get you re-scheduled.
 (Note - this is NOT for convenience, only if there is a major issue)
